

Hello Parents/Guardians of Creative Movement, Pre-Ballet, and Beginning Ballet Dancers!

We will be offering showcase demonstrations for all Creative Movement, Pre-Ballet, and Beginning Ballet classes on Sunday, May 14th! This means that you will get to be in the classroom with your tiny dancers, see how class is run, and have a demonstration of all they have learned this year! These demonstrations will be held in our Covenant Studios (in the lobby level) with the wall up so that there is plenty of room to show off your dancers' skills.

Below you will find the schedule for the event, with section names and normal class times to help you find your dancer's demonstration time! Please arrive a few minutes before the listed time so that we can get everyone settled before the showcase begins. Students will arrive and perform in their normal class attire: a pink cap sleeved leotard, with pink tights, and pink leather full-soled ballet slippers; or black tights with a white t-shirt, white socks, and black leather full-soled ballet slippers. As always, no food or drink will be allowed in the studio besides water.

We will allow pictures and videos without flash to be taken to share with extended family!

We are so excited to be able to share what your dancers have learned!

Thank you,

Meg Slater

Business Manager
